

ADVENT PRAYER

A SEASON OF HOPE AND ANTICIPATION

In Advent, God, we prepare ourselves to celebrate the feast of the Prince of Peace, the feast of your Son Jesus taking on our humanity to guide our feet into the way of peace.

Jesus is the light of the world illuminating the darkness in our lives, the darkness that keeps us from perceiving the path to peace.

We thank you for the wondrous gift of your Son. To keep our eyes on the prize of peace and to continue our journey with the hope of success in attaining peace, we ask that you pour forth your Spirit upon your people and renew the face of the earth.

This we ask in name of your Son, the Prince of Peace. Amen
